These songs are infectiously catchy but many are also fiendishly difficult to sing, with unexpected 'Bacharach bumps' (extra measures with different beats than the rest of the song) and a lot of range from high to low within the melody. We've given you a rating system to guide your singalong – just remember that whatever you do will be awesome! Let's have some fun.

Bunny Slope - everyone in! (green circle)

Intermediate - challenging but satisfying! (blue square)

Expert run – keep your ears on the band! Sit this one out if you don't know it, no shame. (black diamond)

Wives and Lovers / Burt Bacharach and Hal David

Hey, little girl
Comb your hair, fix your makeup
Soon he will open the door
Don't think because there's a ring on your finger
You needn't try any more
For wives should always be lovers too
Run to his arms the moment he comes home to you
I'm warning you
Day after day
There are girls at the office
And men will always be men
Don't send him off with your hair still in curlers
You may not see him again
For wives should always be lovers too
Run to his arms the moment he comes home to you
He's almost here
- (*Tasteful Instrumental Break*) -

Hey, little girl
Better wear something pretty
Something you'd wear to go to the city and
Dim all the lights, pour the wine, start the music
Time to get ready for love
Time to get ready
Time to get ready for love

Raindrops Keep Falling on my Head / Burt Bacharach and Hal David

Raindrops keep falling on my head
And just like the guy whose feet are too big for his bed
Nothing seems to fit
Those raindrops are falling on my head, they keep falling
So I just did me some talking to the sun
And I said I didn't like the way he got things done
Sleeping on the job
Those raindrops are falling on my head, they keep falling
But there's one thing I know
The blues they send to meet me
Won't defeat me, it won't be long
Till happiness steps up to greet me
Raindrops keep falling on my head
But that doesn't mean my eyes will soon be turning red
Crying's not for me
'Cause I'm never gonna stop the rain by complaining
Because I'm free
Nothing's worrying me
- (*Tasteful Instrumental Break*)-
But there's one thing I know
The blues they send to meet me
Won't defeat me, it won't be long It won't be long till happiness
steps up to greet me
Raindrops keep falling on my head
But that doesn't mean my eyes will soon be turning red

Nothing's worrying..... me

(Ba ba ba ba ba ba bah) (*bump*)

What's New Pussycat / Burt Bacharach and Hal David

What's new pussycat? Woah, Woah
What's new pussycat? Woah, Woah

Pussycat, Pussycat
I've got flowers
And lots of hours
To spend with you
So go and powder your cute little pussycat nose!
Pussycat, Pussycat
I love you
Yes, I do!
You and your pussycat nose!

What's new pussycat? Woah, Woah
What's new pussycat? Woah, Woah
Pussycat, Pussycat
You're so thrilling
And I'm so willing
To care for you
So go and make up your big little pussycat eyes!
Pussycat, Pussycat
I love you
Yes, I do!
You and your pussycat eyes!

What's new pussycat? Woah, Woah
What's new pussycat? Woah, Woah
What's new pussycat? Woah, Woah
Pussycat, Pussycat
You're delicious
And if my wishes
Could all come true
I'll soon be kissing your sweet little pussycat lips!
Pussycat, Pussycat
I love you
Yes, I do!
You and your pussycat lips!
You and your pussycat eyes!
You and your pussycat nose!

I'll Never Fall in Love Again / Burt Bacharach and Hal David

What do you get when you fall in love?
A girl with a pin to burst your bubble
That's what you get for all your trouble
I'll never fall in love again
I'll never fall in love again

What do you get when you kiss a guy?
You get enough germs to catch pneumonia
After you do, he'll never phone ya
I'll never fall in love again
Don't you know that I'll never fall in love again

Don't tell me what's it all about
'Cause I've been there and I'm glad I'm out
Out of those chains, those chains that bind you
That is why I'm here to remind you

What do you get when you give your heart?
You get it all broken up and battered
That's what you get, a heart that's shattered
I'll never fall in love again
I'll never fall in love again

- (*Tasteful Instrumental Break*) -

What do you get when you need a guy?
You get enough tears to fill an ocean
That's what you get, for your devotion
I'll never fall in love again
I'll never fall in love again

Don't tell me what's it all about
'Cause I've been there and I'm glad I'm out
Out of those chains, those chains that bind you
That is why I'm here to remind you

What do you get when you fall in love?
You only get lies and pain and sorrow
So for at least until tomorrow
I'll never fall in love again
No, no, I'll never fall in love again

I Say a Little Prayer / Burt Bacharach and Hal David

The moment I wake up
Before I put on my makeup (makeup)
I say a little prayer for you
While combing my hair now
And wondering what dress to wear now (wear now)
I say a little prayer for you
I run for the bus, dear
While riding, I think of us, dear (us, dear)
I say a little prayer for you,
At work, I just take time
And all through my coffee breaktime (breaktime)
I say a little prayer for you

Forever, forever
You'll stay in my heart and I will love you
Forever and ever
We never will part, oh, how I'll love you
Together, together
That's how it must be, to live without you
Would only mean heartbreak for me

- (*Tasteful Instrumental Break*)-

My darling, believe me, for me there is no one...
But you. Please love me too. I'm in love with you. Answer my
prayer, baby.
Say you love me too, answer my prayer, baby
I'm in love with you....

Forever, forever
You'll stay in my heart and I will love you
Forever and ever
We never will part, oh, how I'll love you
Together, together
That's how it must be, to live without you
Would only mean heartbreak for me

Walk On By / Burt Bacharach and Hal David

If you see me walking down the street
And I start to cry each time we meet
Walk on by, walk on by
Just make believe
That you don't see the tears
Just let me grieve
In private 'cause each time I see you
I break down and cry
Walk on by (don't stop) Walk on by (don't stop) Walk on by

I just can't get over losing you
And so if I seem broken and blue
Walk on by
Walk on by
Foolish pride
That's all that I have left
So let me hide
The tears and the sadness you gave me
When you said goodbye
Walk on by (don't stop) Walk on by (don't stop) Walk on by

- (*Tasteful Instrumental Break*)-

If you see me walking down the street
And I start to cry each time we meet
Walk on by, walk on by
Make believe
That you don't see the tears
Just let me grieve
In private 'cause each time I see you
I break down and cry
Walk on by (don't stop) Walk on by (don't stop) Walk on by

Now you really gotta go, so walk on by (don't, don't stop)
Baby, leave, you'll never see the tears I cry (don't, don't stop)

Anyone who Had a Heart / Burt Bacharach and Hal David

Anyone who ever loved, could look at me
And know that I love you
Anyone who ever dreamed, could look at me
And know I dream of you
Knowing I love you so

Anyone who had a heart
Would take me in his arms and love me too, fool
Couldn't be another heart that hurt me
Like you hurt me and be so untrue
What am I to do?

Every time you go away, I always say
This time it's goodbye, dear
Loving you the way I do
I take you back, without you I'd die, dear
Knowing I love you so

Anyone who had a heart
Would take me in his arms and love me too, fool
Couldn't be another heart that hurt me
Like you hurt me and be so untrue
What am I to do?

Knowing I love you so
Anyone who had a heart
Would take me in his arms and love me too, fool
Couldn't be another heart that hurt me
Like you hurt me and be so untrue

Anyone who had a heart would love me too
Anyone who had a heart would simply
Take me in his arms and always love me
Why won't you? Yeah

Anyone who had a heart would love me too
Anyone who had a heart would simply
Take me in his arms and always love me
Why won't you?

Emotion / Barry and Robin Gibb 1977

It's over and done
But the heartache lives on inside, oh
And who is the one you're clingin' to
Instead of me tonight?

And where are you now, now that I need you?
Tears on my pillow wherever you go
I cry me a river that leads to your ocean
But you never see me fall apart

In the words of a broken heart
It's just emotion that's taken me over
Tied up in sorrow, lost in my soul
But if you don't come back
Come home to me, darling
You know that there'll be
Nobody left in this world to hold me tight
Nobody left in this world to kiss good night
Good night, good night, good night
Good night

I'm there at your side
I'm part of all the things you are, ah
But you got a part of someone else
You go to find your shining star
(Repeat Chorus 2x)

This Guy's In Love With You / Burt Bacharach and Hal David

You see this guy?
This guy's in love with you
Yes, I'm in love
Who looks at you the way I do?
When you smile, I can tell we know each other very well
How can I show you I'm glad I got to know you?

I've heard some talk
They say you think I'm fine
Yes, I'm in love
And what I'd do to make you mine
Tell me now, is it so?
Don't let me be the last to know
My hands are shakin'
Don't let my heart keep breakin'

'Cause I need your love
I want your love
Say you're in love
In love with this guy
If not, I'll just die

- (*Tasteful Instrumental Break*)-

When you smile, I can tell we know each other very well
How can I show you I'm glad I got to know you?
'Cause I need your love
I want your love
Say you're in love
In love with this guy
If not, I'll just die

My Little Red Book / Burt Bacharach and Hal David

I just got out my little red book
The minute that you said goodbye
I thumbed right through my little red book
I wasn't gonna sit and cry
And I went from A to Z
I took out every pretty girl in town
They danced with me and as I held them
All I did was talk about you
Hear your name and I'd start to cry
There's just no getting over you... oh, no...

There ain't no girl in my little red book
Who could ever replace your charms
And each girl in my little red book
Knows you're the one I'm thinkin' of
Oh won't you please come back
Without your precious love I can't go on
Where can love be I need you so much
All I did was talk about you
Hear your name and I'd start to cry
There's just no getting over you... oh, no...

- (*Tasteful Instrumental Break*) -

Oh won't you please come back
Without your precious love I can't go on
It's haunting me I need you so much
All I did was talk about you
Hear your name and I'd start to cry
There's just no getting over you
All I did was talk about you
Hear your name and I'd start to cry
There's just no getting over you... oh no

Do You Know the Way to San Jose / Burt Bacharach & Hal David

(Wo wo wo wo wo wo wo wo wo wo wo)

(Wo wo wo wo wo wo wo wo wo wo wo)

Do you know the way to San Jose?

I've been away so long

I may go wrong and lose my way

Do you know the way to San Jose?

I'm going back to find some peace of mind in San Jose

LA is a great big freeway

Put a hundred down and buy a car

In a week, maybe two, they'll make you a star

Weeks turn into years, how quick they pass

And all the stars that never were

Are parking cars and pumping gas (*bump bump bump*)

You can really breathe in San Jose

They've got a lot of space

There'll be a place where I can stay

I was born and raised in San Jose

I'm going back to find some peace of mind in San Jose

Fame and fortune is a magnet

It can pull you far away from home

With a dream in your heart you're never alone

Dreams turn into dust and blow away

And there you are without a friend

You park your car and ride away (*bump bump bump*)

- (*Tasteful Instrumental Break*) -

I've got lots of friends in San Jose (Wo wo wo wo wo wo wo wo wo wo wo)

Can't wait to get back to San Jose (Wo wo wo wo wo wo wo wo wo wo wo)

Daydream Believer / John Stewart/Monkees 1967

Oh, I could hide 'neath the wings
Of the bluebird as she sings
The six-o'clock alarm would never ring
But it rings and I rise
Wipe the sleep out of my eyes
The shaving razor's cold and it stings

Cheer up sleepy Jean
Oh, what can it mean to a
Daydream believer and a
Homecoming queen?

You once thought of me
As a white knight on his steed
Now you know how happy I can be
Oh, and our good times start and end
Without dollar one to spend
But how much, baby, do we really need?

Cheer up sleepy Jean
Oh, what can it mean to a
Daydream believer and a
Homecoming queen?

(repeat)

Wichita Lineman / Jimmy Webb 1968

I am a lineman for the county.
And I drive the main road.
Searchin' in the sun for another overload.
I hear you singing in the wire.
I can hear you thru the whine.
And the Wichita Lineman,
is still on the line.

I know I need a small vacation.
But it don't look like rain.
And if it snows that stretch down south,
won't ever stand the strain.
And I need you more than want you.
And I want you for all time.
And the Wichita Lineman,
is still on the line.

- (*Tasteful Instrumental Break*)-

I know I need a small vacation.
But it don't look like rain.
And if it snows that stretch down south,
won't ever stand the strain.
And I need you more than want you.
And I want you for all time.
And the Wichita Lineman,
is still on the line.

Alfie / Burt Bacharach and Hal David

What's it all about, Alfie?
Is it just for the moment we live?
What's it all about when you sort it out, Alfie?
Are we meant to take more than we give?
Or are we meant to be kind?

And if only fools are kind, Alfie
Then I guess it is wise to be cruel
And if life belongs only to the strong, Alfie
What will you lend on an old golden rule?

As sure as I believe there's a heaven above, Alfie
I know there's something much more
Something even non-believers can believe in

I believe in love, Alfie
Without true love we just exist, Alfie
Until you find the love you've missed, you're nothing, Alfie
When you walk, let your heart lead the way
And you'll find love any day, Alfie
Alfie

Short Intermission

Whatcha wearin'?

Trains & Boats & Planes / Burt Bacharach and Hal David

Trains and boats and planes are passing by
They made a trip to Paris or Rome
To someone else but not for me
The trains and boats and planes
Took you away, away from me

Trains and boats and planes took you away
But every time I see them I pray
And if my prayers can cross the sea
The trains and the boats and planes
Will bring you back, back home to me

The trains and the boats and planes
Will bring you back, back home to me

Any Day Now / Burt Bacharach and Bob Hilliard

Any day now
I will hear you say "Goodbye, my love"
And you'll be on your way
Then my wild beautiful bird, you will have flown, oh
Any day now I'll be all alone
Any day now
When your restless eyes meet someone new
Oh, to my sad surprise
Then the blue shadows will fall all over town, oh
Any day now (any day now) Love will let me down

I shouldn't want to keep you
If you don't want to stay
Until you gone forever
I'll keep holding on for dear life
Holding you this way
Begging you to stay

Any day now
When the clock strikes, "Go"
You'll call it off
And then my tears will flow
Then my wild beautiful bird, you will have flown, oh
Any day now (any day now)
Love will let me down (any day now)
'Cause you won't be around

- (*Tasteful Instrumental Break*)-

Wishin' and Hopin' / Burt Bacharach and Hal David

Wishin' and hopin' and thinkin' and prayin'
Plannin' and dreamin' each night of his charms
That won't get you into his arms
So if you're lookin' to find love you can share
All you gotta do is hold him, and kiss him and love him
And show him that you care

You gotta show him that you care just for him
Do the things he likes to do
Wear your hair just for him, 'cause
You won't get him
Thinkin' and a-prayin', wishin' and a-hopin'

'Cause wishin' and hopin' and thinkin' and prayin'
Plannin' and dreamin' his kisses will start
That won't get you into his heart
So if you're thinkin' of how great true love is
All you gotta do is hold him, and kiss him
and squeeze him and love him
Yeah, just do it
And after you do, you will be his

You gotta show him that you care just for him
Do the things he likes to do
Wear your hair just for him, 'cause
You won't get him
Thinkin' and a-prayin', wishin' and a-hopin'

'Cause wishin' and hopin' and thinkin' and prayin'
Plannin' and dreamin' his kisses will start
That won't get you into his heart
So if you're thinkin' of how great true love is
All you gotta do is hold him, and kiss him
and squeeze him and love him
Yeah, just do it
And after you do, you will be his
You will be his
You will be his

The Look of Love / Burt Bacharach and Hal David

The look of love is in your eyes
A look your smile can't disguise
The look of love
It's saying so much more than just words could ever say
And what my heart has heard, well, it takes my breath away
I can hardly wait to hold you, feel my arms around you
How long I have waited, waited just to love you
Now that I have found you

You've got the look of love
It's on your face
A look that time can't erase
Be mine, tonight
Let this be just the start of
So many nights like this
Let's take a lover's vow
And then seal it with a kiss

I can hardly wait to hold you, feel my arms around you
How long I have waited, waited just to love you
Now that I have found you....

- (*Tasteful Instrumental Break*) -

Close To You / Burt Bacharach and Hal David

Why do birds suddenly appear
Every time you are near?
Just like me, they long to be
Close to you
Why do stars fall down from the sky
Every time you walk by?
Just like me, they long to be
Close to you

On the day that you were born the angels got together
And decided to create a dream come true
So they sprinkled moon dust in your hair of gold
And starlight in your eyes of blue

That is why all the girls in town
Follow you all around
Just like me, they long to be
Close to you

On the day that you were born the angels got together
And decided to create a dream come true
So they sprinkled moon dust in your hair of gold
And starlight in your eyes of blue

- (*Tasteful Instrumental Break*) -

Superstar / Bonnie Bramlett and Leon Russell

Long ago, and, oh, so far away
I fell in love with you before the second show
Your guitar, it sounds so sweet and clear
But you're not really here, it's just the radio

Don't you remember, you told me you loved me, baby?
You said you'd be coming back this way again, baby
Baby, baby, baby, baby, oh baby
I love you, I really do

Loneliness is such a sad affair
And I can hardly wait to be with you again
What to say to make you come again? (Baby)
Come back to me again (baby)
And play your sad guitar

- (*Tasteful Instrumental Break*) -

Don't you remember, you told me you loved me, baby?
You said you'd be coming back this way again, baby
Baby, baby, baby, baby, oh baby
I love you, I really do

Don't you remember, you told me you loved me, baby?
You said you'd be coming back this way again, baby
Baby, baby, baby, baby, oh baby

One Less Bell to Answer / Burt Bacharach and Hal David

One less bell to answer
One less egg to fry
One less man to pick up after
I should be happy
But all I do is cry (cry, cry, no more laughter)
Oh, I should be happy (oh, why did he go?)
I only know that since he left, my life's so empty
(*key change!*)

Though I try to forget
It just can't be done
Each time the doorbell rings
I still run
(*key change!*)

I don't know how in the world
To stop thinking of him
'Cause I still love him so
(*key change!*)
I end each day the way I start out
Crying my heart out
(*key change!*)

- (*Tasteful Instrumental Break*)-

One less man to pick up after
No more laughter
No more laughter (No more love)
Since he went, oh he went away

(One less bell to answer) Why did he leave me?
(why did he leave?)
Since he went away
Now I've got one less egg to fry (one less bell to answer)
one less egg to fry (Why did he leave?) Since he went away
Tell me why did he go? (Why did he leave)
Since he went away

Brandy (You're a Fine Girl) / Lure/Looking Glass 1972

There's a port on a western bay
And it serves a hundred ships a day
Lonely sailors pass the time away
And talk about their homes
There's a girl in this harbor town
And she works laying whiskey down
They say 'Brandy, fetch another round'
She serves them whisky and wine

The sailors say Brandy you're a fine girl (You're a fine girl)
What a good wife you would be (Such a fine girl)
Yeah your eyes could steal a sailor from the sea

Brandy wears a braided chain
Made of finest silver from the north of Spain
With a locket that bears the name
of the man that Brandy loves
He came on a summer's day bringing gifts from far away
But he made it clear he couldn't stay
The harbor was his home

The sailors said 'Brandy, you're a fine girl (You're a fine girl)
What a good wife you would be (Such a fine girl)
But my life my love and my lady is the sea
(Doo-doo-doo-doo Doo-doo-doo-doo)

Brandy used to watch his eyes when he told his sailor stories
She could feel the ocean fall and rise
She saw its raging glory
But he had always told the truth,
lord he was an honest man
And Brandy (a-a-a-h...) does her best to understand
(Doo-doo-doo-doo Doo-doo-doo-doo)

At night when the bars close down
Brandy walks through a silent town

And loves a man who's not around
She still can hear him say

She hears him say 'Brandy, you're a fine girl (You're a fine
girl)

What a good wife you would be (Such a fine girl)

But my life my love and my lady is the sea

(Doo-doo-doo-doo Doo-doo-doo-doo)

Brandy you're a fine girl (You're a fine girl)

What a good wife you would be (Such a fine girl)

But my life my love and my lady is the sea

(Doo-doo-doo-doo Doo-doo-doo-doo)

Call Me / Tony Hatch, the 'British Burt Bacharach'

There's so much that I can do

Rocket Man / Elton John and Bernie Taupin

She packed my bags last night, pre-flight
Zero hour, 9 a.m.
And I'm gonna be high as a kite by then
I miss the Earth so much, I miss my wife
It's lonely out in space
On such a timeless flight

And I think it's gonna be a long, long time
'Til touchdown brings me 'round again to find
I'm not the man they think I am at home, oh, no, no, no
I'm a rocket man
Rocket man
Burning out his fuse up here alone
And I think it's gonna be a long, long time
'Til touchdown brings me 'round again to find
I'm not the man they think I am at home, oh, no, no, no
I'm a rocket man
Rocket man
Burning out his fuse up here alone

Mars ain't the kind of place to raise your kids
In fact, it's cold as hell
And there's no one there to raise them if you did
And all the science, I don't understand
It's just my job five days a week
A rocket man
I'm a rocket man

And I think it's gonna be a long, long time
'Til touchdown brings me 'round again to find
I'm not the man they think I am at home
Oh, no, no, no
I'm a rocket man
Rocket man
Burning out his fuse up here alone
And I think it's gonna be a long, long time
'Til touchdown brings me 'round again to find
I'm not the man they think I am at home
Oh, no, no, no
I'm a rocket man
Rocket man
Burning out his fuse up here alone
And I think it's gonna be a long, long time (repeat)

Running on Empty / Jackson Browne

Looking out at the road rushing under my wheels
Looking back at the years gone by like so many summer fields
'65, I was 17 and running up 101
I don't know where I'm running now, I'm just running on

Running on (running on empty) Running on (running blind)
Running on (running into the sun) But I'm running behind

Gotta do what you can just to keep your love alive
Trying not to confuse it, with what you do to survive
'69, I was 21 and I called the road my own
I don't know when that road turned into the road I'm on

Running on (running on empty) Running on (running blind)
Running on (running into the sun) But I'm running behind

Everyone I know, everywhere I go
People need some reason to believe
I don't know about anyone, but me
If it takes all night, that'll be all right
If I can get you to smile before I leave
Looking out at the road rushing under my wheels
I don't know how to tell you all just how crazy this life feels
Look around for the friends that I used to turn to to pull me
through
Looking into their eyes, I see them running too

Running on (running on empty) Running on (running blind)
Running on (running into the sun) But I'm running behind

Honey, you really tempt me
You know the way you look so kind
I'd love to stick around, but I'm running behind
(Running on) You know I don't even know what I'm hoping to
find
(Running blind) Running into the sun, but I'm running behind

What the World Needs Now / Burt Bacharach and Hal David

What the world needs now is love, sweet love
It's the only thing that there's just too little of
What the world needs now is love, sweet love
No not just for some, but for everyone

Lord, we don't need another mountain
There are mountains and hillsides enough to climb
There are oceans and rivers enough to cross
Enough to last 'til the end of time

What the world needs now is love, sweet love
It's the only thing that there's just too little of
What the world needs now is love, sweet love
No, not just for some, but for everyone

Lord, we don't need another meadow
There are cornfields and wheatfields enough to grow
There are sunbeams and moonbeams enough to shine
Oh listen, Lord, if you want to know

- (Tasteful Instrumental Break) -

Lord, we don't need another mountain
There are mountains and hillsides enough to climb
There are oceans and rivers enough to cross
Enough to last 'til the end of time

(Key Change!)

What the world needs now is love, sweet love
It's the only thing that there's just too little of
What the world needs now is love, sweet love
No, not just for some, but for every, every, everyone

(What the world needs now is love, sweet love)
(repeat until we are done!)

Aquarius / Rado/Ragni/MacDemont 1967

When the moon is in the Seventh House
And Jupiter aligns with Mars
Then peace will guide the planets
And love will steer the stars

This is the dawning of the age of Aquarius
Age of Aquarius
Aquarius, Aquarius

Harmony and understanding
Sympathy and trust abounding
No more falsehoods or derisions
Golden living dreams of visions
Mystic crystal revelation
And the mind's true liberation
Aquarius, Aquarius

When the moon is in the Seventh House
And Jupiter aligns with Mars
Then peace will guide the planets
And love will steer the stars

This is the dawning of the age of Aquarius
Age of Aquarius
Aquarius, Aquarius
Aquarius, Aquarius

- Tasteful Instrumental Break -

Let the sunshine
Let the sunshine in
The sunshine in
(repeat until totally blissed out)

Angie and Burt THANK YOU for coming out!
